

Lyle console

PINCH

Lyle console

The Lyle console is made from solid black American walnut with a drawer at it's centre and a honed limestone top. The limestone we have selected for this piece is a natural material and as such may contain fossils.

Can also be made to bespoke sizes and specifications.

TIMBER

Solid black American walnut
lacquer finish

24 months.

ADDITIONAL INFORMATION

Variations in grain, including knots, scars and other natural markings will occur in a timber piece. This is considered part of the material's natural beauty. For information on how to maintain and protect timber, please refer to the PINCH product care guide.

Lyle comes flat packed and requires some assembly (annotated instructions included).

Lyle console

Material information

The limestone we have selected for this piece is a natural material and as such may contain fossils. Each piece is subject to variations in composition and form. These variations are part of the beauty of the material rather than a fault. They tell it's story, and add unique character and dimension.

Below are examples of variations that may occur. For information on how to maintain and protect limestone, please refer to the PINCH product care guide.
